

BEUMER PURCHASE MODELS

Our flexible purchase models offer tailored options for acquiring BEUMER machines in combination with our comprehensive Lifetime Partner Program Performance. This ensures a sustainable partnership without calculated interests, creating added value through a new level of collaboration. With this approach, you invest not only in equipment, but in a long-term partnership with BEUMER.

‘RENT TO OWN’

Rent to Own is an instalment-based purchase model with no interest charges, combined with added value through the BEUMER Lifetime Partner Program.

- › **Contract Duration:**
 - 5 years / 60 months (adjustable)
- › **Purchase:**
 - Down payment
 - Low monthly instalments
- › **Handover:**

All machines and equipment remain property of BEUMER Group until final instalment is completed. Ownership is transferred after the contract expires.
